Dayton Hamvention

The next event is the Dayton Hamvention which will be held May 14-16 at the Dayton Arena. For those of you attending stop by the RCA booth and volunteer to help or just say "hello". There are a number of forums of interest and be sure to check out Carole Perry's Youth Forum.

Silent Key

It is with a very heavy heart that we announce the passing of Kenneth Miller on March 24th. Ken Miller served the Radio Club for several years as Chairman of the Grants-in-Aid Committee. Ken was a seasoned professional corporate executive. A member since 1970, Life Member since 1975, Fellow since 1980, Ken received the Sarnoff Citation in 1986. He was a member of the board of directors for many years. He was a fine man that will be missed by all. "About 27 years ago, Fred Link named me co-chairman of the Radio Club's Scholarship Committee (nee Grants-in-Aid) with Ken Miller. Indeed, it was a privilege to serve with Ken for several years. We would meet downtown Washington at my office and plan the grants for the Radio Club. He certainly had a distinguished career and I always enjoyed his stories of things he did" recalled John Dettra.

Ham news

Ham Radio Licenses are up 60 percent since 1981, according to a recent article on NPR. Click this link for details -- <http://www.npr.org/templates/story/story.php?storyId=125586086>

A new directory

We are contemplating a new membership directory with background information for the near future, so keep a watch for the form. We depend on your help to keep this information current and useful and we appreciate your time in submitting any changes, deletions or new information.

Your feedback is appreciated so please send us your thoughts, comments, and suggestions.
